

Hazel Slade Primary Academy

Principal: Mrs Katie Challinor

Dear Parents/Carers

It gives us great pleasure to welcome you and your child to Hazel Slade Nursery part of Hazel Slade Primary Academy.

At Hazel Slade Primary Academy the children are offered an exciting, fun and creative curriculum with emphasis placed on the fundamental basic skills of learning. In addition to gaining language, mathematical and scientific skills your child will also be encouraged to build confidence, develop self-reliance, learn to make decisions and develop the ability to articulate feelings and ideas.

Outdoor learning is a key feature of our school and we have access to a wonderful outdoor environment. The Early Years pupils take part in Forest School sessions weekly. We believe it is important to develop children's social skills, self-discipline and show respect for all other people and for their surroundings.

Our school stars: Fun, Achieve Together, Care and Talents allow all our children to develop as individuals whilst working together in an inclusive environment.

We believe that we can only achieve the best for your child by fostering strong links between home and school. There will be opportunities for you to come into school to find out about and share in the education of your child.

The staff at Hazel Slade Primary Academy are always available to talk to you about any aspect of your child's development.

Yours sincerely

Mrs Katie Challinor
